

axion™

NUTRITIONAL SUPPORT FOR EVERY CELL OF YOUR BODY

AXION IS A COMPREHENSIVE, full spectrum, bi-layer (sustained release) supplement that provides essential nutrition support for every cell and function of your body, including immune support, cardiovascular health, and metabolism. This power-packed supplement contains vitamins, minerals, whole foods, enzymes, omega fatty acids, and probiotics for optimal health and vitality.

What does Axion do?

Axion's bi-layer technology gives you a sustained supply of nutrients your body absorbs for hours. The first release layer instantly gives your body a kick start of nutrients. Then the second layer with a specialized coating process releases another dose over a period of hours.

The exceptional benefits of Axion may include:

- Daily nutritional support
- Foundation to healthy daily lifestyle
- Increased effectiveness of the Xyngular product line
- Overall improved health

Taking Axion results in foundational help for your body allowing you to feel good and fully and effectively experience the Xyngular product line.

What makes Axion different than other multiple vitamins?

You could spend countless hours exploring the volumes of solid, scientific research supporting each of the ingredients in this powerful blend and their corresponding health benefits. Suffice it to say that to function properly, every cell in your body benefits tremendously from a careful balance of all these essential nutrients.

Key Ingredients

COENZYME Q-10 is beneficial for heart and immune system health.

CHIA SEED is rich in omega-3 fatty acids, contains high-levels of calcium & fiber and is a powerful antioxidant.

BROMELAIN and **PAPAIN** are strong anti-inflammatories and are also known for their digestive-aid properties.

RESVERATROL aids in anti-aging and reduces inflammation, prevents insulin resistances and helps to prevent bad cholesterol (LDL) build-up.

RHODIOLA helps balance hormones and support the body's natural resistance to stress.

PANAX GINSENG ROOT EXTRACT supports proper function of the nervous system and also helps increase energy and sexual function.

Probiotics:

LACTOBACILLUS ACIDOPHILUS aids in overgrowth of pathogens in your digestive tract and increases your immune response to fight off certain infections.

LACTOBACILLUS RHAMNOSUS helps build a strong immune system and prevent urinary, intestinal and bacterial infections.

BIFIDOBACTERIUM BIFIDUM aides digestion and enhances the body's natural antibody immune response.

BIFIDOBACTERIUM LONGUM helps maintain a normal digestive tract, inhibits the growth of harmful bacteria, and also boosts the immune system.

Take Axion today and get control of your health!
